Notes:

- 1- Submission is set up in the Monthly basis but your ads can continue running until your clicks are over. You can also update your account. We submit your advert or campaign in 72 maximum from the date of payment.
- 2- Counter: free counter will be inserted in your website (if the site has been developed by us) as soon as you pay for one of the above options. The counter will show how many visitors you have a day.
- 3- Set up for Google Ad sense will be done. And Google will start paying you for Google searches through your website. This will be possible as soon as you pay for one of the above options. Only if the site has been created by us or please contact your web developer to do so.
- 4- Payment is not refundable.
- 5- Changing the Target or area (where to display your advert) is free of charge. This can be done 4 times a Month.
- 6- If you pay for one of the above options, your website will be submitted additionally to free search engines of our choice. Note that all submissions are checkable by you because the links to your ads will be given to you.
